Arte em metal

sobre nós

Pensamos em elementos que tornam seu imóvel singular e valorizado! Somos a inovação!

Com experiência de 20 anos em um dos mercados que mais desafiam a exigência pela precisão em cada detalhe, desde a criação, execução, acabamento e aplicação.

Despertamos o desejo através de elementos que harmonizam o belo e o funcional.

Acreditamos que cada ambiente tem a sua singularidade e com ela cada projeto se torna uma obra de arte.

Juntamos tecnologia com o design que flui e harmoniza naturalmente, assim criamos peças que decoram e valorizam bens.

Prazer, somos a Mezuk!
Empresa do Grupo ColorMídia do Brasil.

noSSa tecnologia

Primamos pela mais alta qualidade em todos os processos com tecnologia de ponta.

Com a união de profissionais especiais que fazem todos os projetos em 3D, mais os equipamentos: corte laser, dobra cnc e pintura eletrostática, as peças são de extrema durabilidade e acabamento perfeito.

Além de toda obrigação de entregar as mais belas peças, entendemos nossa responsabilidade social no mundo moderno, por isso reciclamos 100% dos resíduos, nossa energia é solar e captamos água da chuva.

Tudo isso só é possível quando a empresa valoriza seu maior bem, os colaboradores.

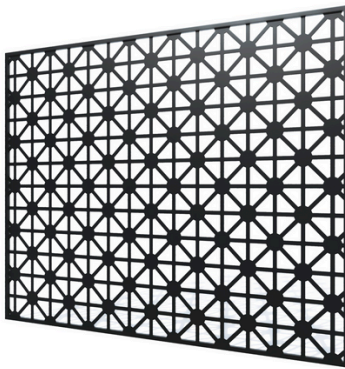

Por isso, nossos clientes têm a garantia e tranquilidade de contratar uma empresa que preza pela qualidade 360°.
